[Beyond Pharma: The Role Of Medtech In Antimicrobial Resistance](#)

Marks & Clerk

A major review published by the World Health Organisation threw the spotlight once again on the issue of antimicrobial resistance (AMR) and the ongoing misuse of antibiotics around the world.

[Digital Transformation Of Health And Care](#)

Reed Smith (Worldwide)

In April 2018 the European Commission (Commission) published its Communication on the digital transformation of health and care in the Digital Single Market (Communication).

[Food Labelling Requirements – Proposed Changes To Accommodate Brexit](#)

Gowling WLG

With the UK's withdrawal from the EU getting up a head of steam, recent government consultations and technical notices on changes to the legal and regulatory framework governing the food and drink sector provide a useful insight into the potential effects of Brexit on this sector.

[Tackling Counterfeit Medicines In India](#)

Deloitte

India is one of the leading global producers of low-cost generic medicines due to its high domestic demand and inexpensive manufacturing costs.

[Pork Pies And Parma Ham: Brexit And The Protection Of Geographical Indications For Food And Drink](#)

Gowling WLG

In this article we review the potentially complex and disruptive implications of both a 'deal' and 'no deal' Brexit for UK and EU producers of GI-protected products given the current huge economic...
